60x100 Mesh	34	15

- Damp, ground, dolomitic limestone mined directly from our quarry in York, PA
- Reduces unpleasant odors
- Neutralizes acidic manure & litter
- Low moisture content typical 2% - 4%
- Dry up wet areas around barn & stalls
- Can be mixed with sawdust, shavings, and other bedding materials
- Dresses up stalls, walkways, entranceways & improves appearance of stables & barns
- Helps to keep animals clean & bedding drier for animal comfort
- Anti-Slip agent to help prevent expensive milking cows from slipping
